The
Liga
für Ältere e.V.
(League for the Elderly)

is an initiative
of the German

Ideas behind the Liga ...

- ... Demand for maximized independence and dignity in old age
- ... Demand for rehabilitation instead of nursing care
- ... Independent lobbying for the interests of older people
- ... Promote intergeneration dialogue and understanding between young and old
- ... Avoid a gap in society due to demographic change

Reasons to Establish a League for the Elderly in Your Home Town ...

- ... The ageing population and the demographic change in all countries
- ... The new structure of society changes the general living conditions of the elderly tremendously fast
- ... The societies are undergoing a fundamental change. Individualism and pluralism increasingly define the everyday life of the elderly
- ... Global changes affect all aspects of life and creating opportunities for lifelong learning.

Create attractiveness in your Lions-Club for older Lions!

Lions Clubs can successfully create Branch Lions Clubs with elderly Lions Clubs members living in a nursing home. The elderly members can continue their voluntary commitment and feel fully integrated in the Lions community in spite of the changed living environment. Your Lions Club could be the next!

is a straight and modern answer to the global challenge due to ageing demographics.

Your commitment and your personal readiness to support the lobby-work will help us improve the life better of elderly people.
